Dear Friend:

I am sure you have just received the air mail special I sent you yesterday. When I wrote it I was ready to give up and return to Richmond from Knoxville, and come way back to Atlanta for the 29th. The more I think of these long trips, the worse they seem. Posey sent me some names and addresses of spots we could stop in, and I am writing the people today. We will stay in Knoxville Sunday and Monday, and I am trying to get in Ashville Tuesday, Spartanburg, Wednesday, Greenville Thursday.

Now do you think you could arrange for Augusta the 27th and Macon the 28th? Do they have local clubs, or could you play us there? I do not have any contact in either park.

On our way back, could you arrange for Columbus the 30th, and Charlotte the 1st of May. If you could take care of these dates, it would help a lot. I would like to come that way again this season, but if we cannot find places to play we cant bring the club such a distance.

After writing you it came to me Pompey or Posey will not be able to play us in Atlanta after the 29th, because they are both home on the 29th. Pompey in New York, and Posey in Washington.

Please answer me right away, on these dates, as the time is very close now.

Very Truly Yours
